The Life of God in the Soul of Man By Henry Scougal

Henry Scougal was a 17th Century Scottish minister, pastor, and professor of Divinity at King's College, Aberdeen. "The Life of God in the Soul of Man" is his best known work, and is actually a long letter written to a friend who had strayed from his faith. Its content is pastoral, explanatory, and full of passion and keen insight. The reading can be difficult, but "The Life of God in the Soul of Man" is a treasury of spiritual wisdom, which has been counted worthy to be preserved for many generations for it's unprecedented understanding of the true Christian life. This work was almost universally praised by the leaders of the Great Awakening, including George Whitefield, who said he "never really understood what true religion was" until he had digested Scougal's treatise. Leonard Ravenhill included this book on the list of recommended reading for every Christian. Heed the suggestion of some of the most eminent Christians of history, and reap the deep understanding contained in these pages.

Henry Scougal (1650-1678) was a Scottish theologian, minister and author. Henry Scougal was the second son of Patrick Scougal and Margaret Wemys. His father was Bishop of Aberdeen for more than 20 years. From his infancy, Scougal was raised with religion. From his youth, Scougal spent his free hours in reading, meditation and prayer. He especially enjoyed studying the historical passages of the Old Testament. In 1665 Scougal entered King's College, University of Aberdeen, and, after graduation, was promoted to the office of Professor of Philosophy. In 1672, Scougal was ordained and appointed minister of a church 20 miles from Aberdeen, where he served for one year before returning to take the office of Professor of Divinity at King's College, where he taught for five years. He spoke Latin, Hebrew, and a few Asian languages. Scougal produced a number of works while a pastor and professor of divinity at King's.
