The Tracker By Chad Zunker

Trust no one. Sam Callahan learned this lesson from a childhood spent in abusive foster care, on the streets, and locked in juvie. With the past behind him and his future staked on law school, he is moonlighting as a political tracker, paid to hide in crowds and shadow candidates, recording their missteps for use by their opponents. One night, after an anonymous text tip, Sam witnesses a congressional candidate and a mysterious blonde in a motel indiscretion that ends in murder, recording it all on his phone.

Now Sam is a target. Set up to take the fall and pursued by both assassins and the FBI, he is forced to go on the run. Using the street skills forged during his troubled youth—as well as his heightened mental abilities—Sam goes underground until he can uncover who is behind the conspiracy and how far up it goes. A taut thriller with an unforgettable young hero, *The Tracker* is a heart-stopping debut from an exciting new voice.

“A gritty, compelling and altogether engrossing novel that reads as if ripped from the headlines. I couldn’t turn the pages fast enough. Chad Zunker is the real deal.” -- Christopher Reich, New York Times Bestselling Author of *Numbered Account* and *Rules of Deception*

“Good Will Hunting meets *The Bourne Identity*.” -- Fred Burton, New York Times Bestselling Author of *Under Fire*

"Wow! Adrenaline junkies, take note: *THE TRACKER* is one of those pulse-pounding, page-turning, over-in-one-night thrillers you'd expect from the regular names on the New York Times bestseller lists." -- Owen Laukkanen, Bestselling Author of *The Professionals*
