Jimmy Cornell has influenced the contemporary cruising scene more than any other sailor. His books can be found on board many cruising boats, and have been translated into several languages. Thousands of sailors have fulfilled their dreams of offshore cruising not only with the help of Jimmy Cornell's books, but also as participants in one of his transatlantic or round-the-world rallies. Jimmy Cornell is the acknowledged founder of the cruising rally concept, and over 3000 boats and 15,000 sailors have sailed in these rallies.
