Applying the Sermon: How to Balance Biblical Integrity and Cultural Relevance By Daniel Overdorf

Despite the concern many pastors feel when it comes to sermon application, most homiletics texts devote little more than a chapter, if that, to this vital topic. Daniel Overdorf has filled this glaring gap with *Applying the Sermon*. This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations.

Each chapter includes snippets of interviews with five of today's most respected homileticsians-Haddon Robinson, Will Willimon, Tom Long, Vic Pentz, and Bob Russell. A great addition to any pastoral library, and a valuable resource for Bible college and seminary courses, Overdorf's *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands-on experience with these techniques.

Editorial Review

From the Back Cover

Finally a tool to help Pastors shape applications that so many congregations have long desired.

Even the most seasoned homileticians balk at sermon application. Why? Because application requires preachers to toss a grenade-like "thus saith the Lord" into people's lives, and to do so repeatedly. -From the introduction
