### Cases for PACES By Stephen Hoole, Andrew Fry, Rachel Davies

*Cases for PACES* is concise, ideal for quick reference, and the perfect study aid to Part II of the MRCP examination. Including all the essential information for the exam in colour-coded sections for each station, it lets you quickly understand the most common cases.

Now in full colour, it features new case material, updated content on ethics and law, and revised brief clinical consultations that better reflect the current exam. *Cases for PACES* also includes hints and tips for preparing for the exam, and what to expect on the day.

The authors have condensed their own experiences in learning and teaching PACES to provide you with exactly what you need to pass. With its informal style it is ideal for self-directed learning in groups, and will help you hone your clinical skills and boost your confidence throughout your revision.
