Editorial Review

From Publishers Weekly

Following the exploits of a proud knight and a spirited young heiress, this fast-paced Highland adventure, the second in Howell's newest trilogy (after *Highland Knight*), is a bracing blend of high suspense and sizzling romance. When Contessa Delgado releases Sir Revan Halyard from her guardian uncle's dungeon, he demonstrates his gratitude by taking her hostage. Ironically, she finds she's safer in Revan's company than in Uncle Thurkettle's keep; her uncle, after all, planned to kill her so that he and his avaricious daughter could control the lands and fortune Tess inherited after her parents died. While hiding out in a remote cave, Tess learns that Revan is a spy for the crown and that he suspects her uncle of consorting with a clan plotting to overthrow King James II. A strong romantic bond builds between Tess and Revan as they attempt to dispatch the traitors but, in the end, her inheritance proves to be their biggest stumbling block. Revan, a younger son short on land but long on pride, refuses to marry Tess until he has property of his own, and it's up to Tess and her amiable clansmen to convince him that marrying into money for love is not a crime. Howell's deft use of period dialogue lends the book a tangible sense of time and place, and her protagonists' spirited interactions will swiftly endear them to readers.

About the Author

Hannah Howell's first book was published in 1988, and she has since published dozens of captivating romance novels, sometimes under the pseudonym Anna Jennet. She is widely admired for her breathtaking Scottish and English historical romance novels, such as the recent *Highland Conqueror*. Her website is www.hannahhowell.com.

Users Review

From reader reviews:

Barbara Lewis:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider whenever those information which is inside former life are challenging to be find than now could be taking seriously which one works to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take *Highland Hearts* as the daily resource information.

Julie Tice:

Your reading sixth sense will not betray a person, why because this *Highland Hearts* guide written by well-

known writer whose to say well how to make book which can be understand by anyone who have read the book. Written with good manner for you, leaking every ideas and creating skill only for eliminate your personal hunger then you still hesitation Highland Hearts as good book not just by the cover but also from the content. This is one reserve that can break don't judge book by its include, so do you still needing an additional sixth sense to pick that!?! Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

Alejandro Wisdom:

Publication is one of source of understanding. We can add our understanding from it. Not only for students but native or citizen want book to know the change information of year to help year. As we know those publications have many advantages. Beside all of us add our knowledge, could also bring us to around the world. From the book Highland Hearts we can have more advantage. Don't someone to be creative people? To be creative person must choose to read a book. Simply choose the best book that ideal with your aim. Don't end up being doubt to change your life at this book Highland Hearts. You can more attractive than now.

Tanya McNeil:

Some people said that they feel bored stiff when they reading a guide. They are directly felt the item when they get a half areas of the book. You can choose the actual book Highland Hearts to make your personal reading is interesting. Your current skill of reading ability is developing when you just like reading. Try to choose basic book to make you enjoy to see it and mingle the idea about book and reading especially. It is to be initial opinion for you to like to available a book and study it. Beside that the guide Highland Hearts can to be your brand new friend when you're really feel alone and confuse with the information must you're doing of the time.
