Raven (Fight or Flight Book 1) By Ashley Suzanne

In the debut of Ashley Suzanne’s blistering-hot Fight or Flight series—perfect for fans of Monica Murphy and J. Lynn—two sparring partners put their hearts on the line and push their bodies to the edge.

Rian Fields is done being a punching bag. When Rian was thirteen, her only friend walked out on her, leaving Rian alone to mourn when she lost her mother three years later. Then he came back into her life senior year, igniting new desires—and breaking her trust permanently when he enlisted in the army. Now Rian has finally found an outlet for her rage against the world: mixed martial arts. But just as she’s learning the ropes, Garrett Rhodes turns her life inside-out one more time.

As much they hurt each other, Garrett never got over Rian. So when he gets the call that she’s in jail, he bails her out, no questions asked. The years have toughened her. Made her harder. Sexier. All she needs to make it as an MMA fighter is the right coach, and Garrett’s man enough to train her. He just has to go toe-to-toe with “Raven,” the fearless woman who takes control in the ring . . . without falling for Rian, the vulnerable girl who still drives him crazy.

About the Author

Ashley Suzanne has been writing as long as she can remember. As a youngster, she was always creating stories and talking to her imaginary friends. Thankfully, her parents also carried this love of fiction, and helped her grow into the writer she is today.

Ashley is a bestselling author and spends equal amounts of time writing and reading. Being the true book whore she is, Ashley would rather dive into a good book before going out of her house. Giving up her career in Real Estate, Ashley has officially moved to hermit status.

When Ashley isn't coming up with her next story, you'll most likely find her on the couch with a Kindle in her hand (probably watching some crappy reality show while , annoying her husband by telling him all about her new book boyfriend or spending quality time with her two gremlins ... Sorry, I mean adorable children. You can find Ashley on Facebook, Twitter, Instagram and/or her blog.
