Schutzhund Top Working Dogs, Training Manual By Dietmar Schellenberg

This is the fifth edition of "TWD", a Schutzhund Training Manual written by the first licensed, FCI accredited German Schutzhund Judge to reside in the US. It is presented in a factual, concise and easily understood manner, a "how-to" book novel and unique in several ways: ** it presents in detail the methods that experts use - but never reveal ** it offers a multitude of approaches for the individual routines ** it lists, for each task, the problems most often encountered, and it suggests a variety of remedies ** it aids the trainer in using psychological principles, by giving descriptions and explanations ** it emphasizes the general components of training which can readily be applied to specific situations in the various branches of the sport of working dogs ** it stresses and explains playful instruction of the young dog ** it introduces fun activities / games for individuals and groups of canines ** it addresses and solves common dog behavior problems which even animal behavior specialists struggle to decipher. Tracking, obedience and protection work are described in this training manual which has found world-wide recognition. It guides experts and novices, even owners of small dogs, with its combination of practice and theory, technique and technology, experience and common sense. The reader would have to pick bits and pieces from thousands of websites and hundreds of books, DVD's, seminars and lectures on the subject to find what is presented here - and he would still come up short by many miles. We offer this book to the general public to make the man/dog relationship more meaningful, and more enjoyable, for both partners.

Editorial Review

Review

VARIOUS READER COMMENTS: Your book is gravitas and a must for every dog trainer. Robert Penn, Omaha, NE ***** You have a great style, easily understandable. Michelle Demers, NH ***** Your background in Schutzhund is impeccable. Cathy Jordan, Sandpoint, ID ***** This is a GREAT book! Katy Yoder, Redding, CA ***** This is very possibly one of the best investments I made in my whole life. Not only is the content brilliant, but it is also clearly laid out in terms and concept that a layman can understand. Kenneth Wilson, Deerfield, WI ***** I am glad to see that your book is still in print. I am looking forward to this latest edition. Elli Matlin, NY ***** Thank you so very much for writing Top Working Dogs . It is exactly the type of book I was looking for. I read it cover to cover and used it all the time. Then I loaned it to a friend and never got it back. Please send me another one. Barbara Williams, Bell, FL ***** I consider your Top Working Dogs my bible of training. I copied a few pages, then lent it to a friend. For four years now I am trying to get it back - no luck. Please send me another copy. Chris King, Polk, PA ***** I have finally found QUALITY information on the proper training of Schutzhund in your book. Todd Stephenson, Conway, SC ***** Top Working Dogs offers a very concise view of tracking, obedience, protection training. It has to be one of the finest books on Schutzhund training. I gave my copy to the President and Training Director of our club, and now I need a copy !! William Hope, York, PA ***** Top Working Dogs is my favorite Schutzhund book - so detailed and interesting, especially about temperament ! Linda Nicolosi, Thousand Oaks, CA ***** I have been enjoying your book TWD. It s proving to be very helpful training my German Shepherd. Bruce Toverner, Reserve, NM ***** Your book is great and a lot of help. I ve read it myself but would like our other club members read it too - it s a great reference. I hope you write some more ! Conejo Valley Schutzhund Club ***** I was most impressed, your book is great and a lot of help. Brad Kinney, Pueblo, CO ***** I watched TV (BBC, Vancouver) last night about dogs. A panel of experts and trainers discussed things, real proof of what you said in your book. I thought you might like a little feedback. Owen D. Walls, Tacoma, WA ***** Terrific Book ! I have read many different books on working dog training, but I must say yours is definitely the best. Excellent info. Allen Mundorff, Hanover, PA ***** I am very pleased and thoroughly delighted with your book. I have learned a lot from your comments, knowledge and insight. I believe you to be a very wise and remarkable person. Randy Aragon, Hampton, VA ***** I have owned this book since shortly after it was published, except for the short period of time when a local police dog-man "borrowed" it. I ended up repurchasing it. This book is solid and sound in content, and has information that will appeal to beginners and experts alike in the fields of tracking, obedience and man-work. I review it as a resource book whenever I need a fresh training idea for a dog or a group of trainers. I no longer loan it - I recommend you buy your own. Marion Postgate, dog show and obedience trial judge (Canada). ***** --various, sources in text

julie@omegashepherds.com: I 've raised and trained German Shepherds for the past 25 years, and am really impressed with the book TOP WORKING DOGS: A TRAINING MANUAL. I highly recommend it to anyone who plans on training a puppy or dog in tracking, obedience or protection work. Whether you're a person who just plans to train a pup basic manners and obedience for around the house, or if you're a top trainer, - I suggest you read this book! It covers all the phases of training and explains how to start puppies at a young age. The book is very easy to understand. -G.Brendel/German SV --G.Brendel,German SV National Train.Director

This book is definitely my favorite and the one I go back to the most. It is very engaging and easy to read. I also happen to own "Advanced Schutzhund" by Balabanov, and I have no desire to open it again after i

finished reading it over 10 months ago. --Botanica 73

"Great Content" The book ... is packed with a wealth of information. It is not a book that will be read once and put on the shelf, I fully expect to come back to it over and over again. I would hesitate to lend it to people, because I might never see it again. It is that good of a book, and such a gold mine that will likely be around for a long time. --Botanica 73

About the Author

Dietmar Schellenberg is one of those few individuals who through a life-long love for, and association with, domestic animals have come to really understand and truly communicate with pets, and dogs in particular. He gathered a wealth of knowledge and experience in canine matters, from various breed and training clubs as well as such prestigious institutions as the German Police Dog Academy and the German Railroad Police Dog School, and through his many associations with cynological authorities. He personally trained and supervised the training of more than twelve thousand dog/handler teams. He is an acclaimed Animal Behavior Specialist, and he designed, built and operated dog training and boarding facilities in New York, Georgia and Alabama. With more than 60 years of experience in the field, he is well known as an internationally licensed Police Dog / Schutzhund Judge, author of the predominant, world-wide recognized training manual for working dogs, editor of a dog training magazine, writer, lecturer, consultant, Canine Specialist for the Technical Advisory Service for Attorneys (US/CANADA), President of Working Dogs of America, Inc., Founding Member and Officer of the North American Schutzhund Association, Inc., and Honorary Member of many Schutzhund Clubs. He has appeared on a variety of radio and TV shows. Dr. Schellenberg is a native German. An academic teacher and scientist by training, he holds two Pd.D.'s (Nature Science, and Psychology/Education) and several patents in chemistry. Other books published by him are >Humorous Magnificus< , >Survival Guide for Pet Owners< , >Taurus, Mostly< , and >Ballroom Dancing< .

Users Review

From reader reviews:

Shannon Harvey:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each e-book has different aim or maybe goal; it means that book has different type. Some people feel enjoy to spend their a chance to read a book. They are really reading whatever they take because their hobby is reading a book. What about the person who don't like looking at a book? Sometime, particular person feel need book whenever they found difficult problem or perhaps exercise. Well, probably you will require this Schutzhund Top Working Dogs, Training Manual.

Frank Arnett:

Reading a book to be new life style in this year; every people loves to study a book. When you study a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these us novel, comics, as well as soon. The Schutzhund Top Working Dogs, Training Manual provide you with new experience in reading through a book.

Jean Gaitan:

Beside this Schutzhund Top Working Dogs, Training Manual in your phone, it may give you a way to get nearer to the new knowledge or facts. The information and the knowledge you might get here is fresh from your oven so don't become worry if you feel like an old people live in narrow community.
