Editorial Review

From [Booklist](#)

Starred Review Peter Parker is thrown back into another epic battle, although probably not one that his typical audience is used to. After several goons kidnap Peter in the middle of the night, he is rescued by a mysterious secret agent who claims to be his long-lost sister. Now Spider-Man and agent Theresa must dig into their parents' own CIA past to discover the explanation for Peter's mysterious abduction and the reasons for his sister's sudden appearance. Waid's story is perfectly blended, with all the one-liners and gags that fans have come to expect as well as a level of mystery and intrigue that's a welcome addition. And with four villains vying for the death of Spider-Man (one literally dug up from the past), this original graphic novel is certainly not short on action. Though the final reveal is slightly predictable, overall, this breaks new ground for the series. Dell'Otto's painted panels are simultaneously realistic and dreamlike, creating beauty rarely seen in this medium outside of Alex Ross and imparting a more serious tone to the usually punchy character. Truly, Spider-Man has never looked so good. Easily the best Spider-Man novel in recent memory. --Peter Blenski

About the Author

Mark Waid, Alabama native and current Los Angeles resident, has written stories for every major comic book publisher, and his seminal graphic novel, KINGDOM COME, for DC Comics, is one of the best-selling graphic novels of all time. For BOOM! Studios, he has written bestselling graphic novels POTTER'S FIELD, INCORRUPTIBLE and the multiple Eisner and Harvey Award-nominated IRREDEEMABLE. Peter Krause is an American comic book artist. He is best known for his work on various DC Comics titles, most notably the Superman-related titles and THE POWER OF SHAZAM! with Captain Marvel and the Marvel Family. Krause, a graduate of the University of Minnesota, currently works as a freelance illustrator in Minnesota.

James Robinson, III is currently professor and graduate coordinator in the Department of Public Health Sciences at New Mexico State University. He taught health education for nine years in the Downingtown Area School District, Downingtown, Pennsylvania. After his doctoral studies, Dr. Robinson held faculty appointments at California State University at Northridge, the University of Northern Colorado, Texas A&M University, and Texas A&M Health Science Center. His health education consultations include school districts in California, Colorado, Texas and Wyoming, as well as the state health and education departments in Colorado and Texas. Dr. Robinson is author or co-author of more than twenty five professional publications and has delivered more than seventy five professional presentations to local, state, and national audiences. He is lead author of ESSENTIALS OF HEALTH AND WELLNESS, a health textbook for high school students, and is currently the Executive Editor of the Journal of Drug Education. Dr. Robinson has served on numerous committees and boards of the American Association for Health Education and the American School Health Association. The American Association for Health Education honored him with Fellow status in 1999 and with the association's Professional Service Award in 2003. In addition to his teaching, scholarly activity, and service, Dr. Robinson has generated approximately two and half million dollars in grant support for his research and health promotion projects. He received his Bachelor of Science Degree in Health and Physical Education and his Masters Degree in Education in Health Education from West Chester University. He received his Doctorate Degree in Health Education from the University of Northern Colorado.

Users Review

From reader reviews:

Susan Velez:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people really feel enjoy to spend their a chance to read a book. They are reading whatever they consider because their hobby will be reading a book. How about the person who don't like looking at a book? Sometime, man feel need book if they found difficult problem as well as exercise. Well, probably you will require this Spider-Man: Family Business.

Cora Blanchette:

The book Spider-Man: Family Business can give more knowledge and information about everything you want. So just why must we leave the best thing like a book Spider-Man: Family Business? A few of you have a different opinion about publication. But one aim which book can give many facts for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or facts that you take for that, you are able to give for each other; it is possible to share all of these. Book Spider-Man: Family Business has simple shape however you know: it has great and large function for you. You can look the enormous world by start and read a guide. So it is very wonderful.

Grant Rickard:

A lot of people always spent their particular free time to vacation or go to the outside with them family or their friend. Do you know? Many a lot of people spent they free time just watching TV, or playing video games all day long. If you need to try to find a new activity this is look different you can read any book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent all day long to reading a reserve. The book Spider-Man: Family Business it is quite good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. If you did not have enough space to develop this book you can buy the e-book. You can m0ore easily to read this book from a smart phone. The price is not to fund but this book offers high quality.

Valerie Beauchamp:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, after that why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Spider-Man: Family Business, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its called reading friends.
