The Tinder Chronicles: Complete 3-Volume Series By Alexa Land

Tinder's world is black and white, good and evil clearly defined. The young vampire hunter was taught to hate his enemy with a passion, and hating them is easy since they killed his entire family. His attraction to Bane, a gorgeous, mysterious vampire, contradicts everything Tinder believes in, but the heat between them is undeniable. As the vampires rise up and hunters become the hunted, Bane may also be Tinder's only chance for survival. Maybe the world's not so black and white after all. Part paranormal thriller, part M/M erotic romance with a generous dose of humor, The Tinder Chronicles includes the complete 3-volume series: the novellas *Tinder* and *Hunted* (approximately 25K words each) and the new novel *Destined* (approximately 60K words). NOTE: contains explicit language and graphic sex. Intended for ADULTS ONLY.
