The call of the rope opens her to new experiences that leave her panting and hungry for more.

This wickedly arousing novelette encompasses an entire week of Brie's submissive training, including her third Auction Day.

Brie longs to delve into the world of bondage and finally gets her chance at the center. In answering the call of the rope, Brie discovers new avenues of pleasure. But there is a hefty price to be paid when her heart becomes torn between two masters.

Adult Material (18+)

Warning: This book contains sexually explicit content and scenes that some readers may find objectionable.
