Carmilla: A Critical Edition (Irish Studies) By Joseph Le Fanu

First serialized in the journal "The Dark Blue" and published shortly thereafter in the short story collection *In a Glass Darkly*, Le Fanu's 1872 vampire tale is in many ways the overlooked older sister of Bram Stoker's more acclaimed *Dracula*. A thrilling gothic tale, *Carmilla* tells the story of a young woman lured by the charms of a female vampire.

This edition includes a student-oriented introduction, tracing the major critical responses to *Carmilla*, and four interdisciplinary essays by leading scholars who analyze the story from a variety of theoretical perspectives. Ranging from politics to gender, Gothicism to feminism, and nineteenth-century aestheticism to contemporary film studies, these critical yet accessible articles model the diverse ways that scholars can approach a single text. With a glossary, biography, bibliography, and explanatory notes on the text, this edition is ideal for students of Irish and British nineteenth-century literature.
