Dark Witch (The Cousins O'Dwyer Trilogy, Book 1) By Nora Roberts

From #1 *New York Times* bestselling author Nora Roberts comes a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love...

Book One of The Cousins O'Dwyer Trilogy

Dark Witch

With indifferent parents, Iona Sheehan grew up craving devotion and acceptance. From her maternal grandmother, she learned where to find both: a land of lush forests, dazzling lakes, and centuries-old legends.

Ireland.

County Mayo, to be exact. Where her ancestors' blood and magic have flowed through generations—and where her destiny awaits.

Iona arrives in Ireland with nothing but her Nan's directions, an unfailingly optimistic attitude, and an innate talent with horses. Not far from the luxurious castle where she is spending a week, she finds her cousins, Branna and Connor O'Dwyer. And since family is family, they invite her into their home and their lives.

When Iona lands a job at the local stables, she meets the owner, Boyle McGrath. Cowboy, pirate, wild tribal horsemen, he's three of her biggest fantasy weaknesses all in one big, bold package.

Iona realizes that here she can make a home for herself—and live her life as she wants, even if that means falling head over heels for Boyle. But nothing is as it seems. An ancient evil has wound its way around Iona's family tree and must be defeated. Family and friends will fight with each other and for each other to keep the promise of hope—and love—alive...

Editorial Review

From [Booklist](#)

With the support of her maternal grandmother, Iona Sheehan arrives in County Mayo intent on finding out more about her family's history and legacy of magic. She has more than her share of the luck of the Irish when she meets her cousins Branna and Connor O'Dwyer on her first day. Not only do they welcome Iona into the family fold, they also don't think she's crazy when she tells them that she's had dreams about an evil sorcerer named Cabhan. More than 800 years earlier their ancestress, Sorcha, the original Dark Witch, thwarted Cabhan's plan to steal her powers, and he has been plotting his revenge ever since. After moving in with Branna and Connor and taking a job working for cranky but incredibly sexy stable owner, Boyle McGrath, Iona begins putting down roots in Ireland. But her newfound happiness may be short-lived unless she and her cousins can find a way to harness their powers and defeat Cabhan. Best-seller-extraordinaire Roberts works her own brand of literary magic as she begins a new trilogy featuring the cousins O'Dwyer. -- John Charles
