Identity Theft By Ron Cantor

Has the Messiah been robbed?

Supernatural visitations. Divine time travel. An age-old cover up.
In the middle of it all: *One man miraculously transformed by Yeshua.*

In an instant, David went from being a skeptical Jewish columnist to a desperate seeker of Truth. The catalyst was an angelic visitation—a moment that marked him forever.

David's quest spans numerous philosophies and religions, culminating with the Person of Yeshua – Jesus the Messiah. He is plummeted into a vigorous spiritual tug of war. Part of him is intrigued and fascinated by the Messiah, while another is plagued by guilt. How could a Jewish person like himself believe in Yeshua considering all the horrific acts that have been done to his ancestors in *His* name?

Author Ron Cantor, a gifted story-teller and authority on the Jewish Roots of the New Testament, takes you on an unforgettable tour of history as an angel supernaturally escorts David through the halls of time. You will soon discover that though atrocities have been committed in the name of Yeshua, the greatest crime of all may be against the Messiah Himself... a crime of *identity theft*.

Editorial Review

Review

"There are some of us gentiles who love Jesus, love Jews, love Jesus as a Jew and realize we were drawn into an Hebraic faith when we became Christians, and we have long hoped for better literature to serve our cause. Much that is written about Jesus as a Jew is a scolding distribution of blame rather than an ennobling call to truth. Ron Cantor has changed this. He uses fiction, humor, a bit of fantasy and a time traveler's imagination to tell us a tale that ought to be told. He makes us know Jesus anew. I am grateful, and I hope he is forerunner of a new tribe on the rise."

—**Stephen Mansfield, NY Times, Best Selling Author**

"The emotional depth and immediacy evoked in this novel would be impossible in a theological tome with the same purpose. It's a book you will want to read at one sitting, and if you're like me, your only regret will be having to wait for the remaining two volumes of the trilogy."

—**Dr. David H. Stern**

Messianic Jewish Scholar and Translator of The Complete Jewish Bible

And What a great title, as Ron effectively portrays the Identity Theft of the centuries! That Jesus has been robbed of His Jewishness! Tragically those who believe in Him would have put Him in the gas ovens of Europe had He lived during their lifetime.

"I've known Ron for a number of years and have always enjoyed his ministry. When I read Identity Theft I was captivated by the story. I couldn't stop reading until I was finished. What a must read for anyone wanting to be a part of an incredible journey to faith in the Messiah!"

—**Dr. Evon G. Horton**
