Status Factory: The Art of Ron English By Ron English

STATUS FACTORY is a hardcover art book presenting new paintings from street art legend Ron English. In his paintings, English perverts and subverts the establishment, poking fun at religion, consumerism, and blind obedience to popular culture. He uses humor as a wake-up call, and renders it with meticulous brush strokes. Ron English populates alternate versions of "The Last Supper" and "Guernica" with cartoon characters, drops camouflaged clowns on dinosaurs, and births incredible creatures from his fertile imagination. Among reinterpretations of familiar characters like Ronald McDonald and Mickey Mouse, you'll find three-eyed rabbits, udderly delicious cowgirls, grinning skulls, and many more. In addition to over 180 images from his paintings, Status Factory includes over 100 photographs of English's street art installations, subverted billboards, and other public art. An afterword by the artist delves into his creative process, explaining how source materials are transformed into his riveting images. Luxuriously printed on heavy art paper, this large-format coffee table book showcases Ron English's art beautifully. A great addition to any art library focused on street art, pop surrealism, graffiti, and painting.

Editorial Review

About the Author

One of the most prolific and recognizable artists alive today, Ron English has bombed the global landscape with unforgettable images, on the street, in museums, in movies, books and television. English coined the term POPaganda to describe his signature mash-up of high and low cultural touchstones, from superhero mythology to totems of art history, populated with his vast and constantly growing arsenal of original characters. English blends stunning visuals with the biting humorous undertones of America's Premier Pop Iconoclast.

Users Review

From reader reviews:

Ricky Hayes:

Book is usually written, printed, or illustrated for everything. You can recognize everything you want by a e-book. Book has a different type. We all know that that book is important point to bring us around the world. Close to that you can your reading proficiency was fluently.
