The Lost Gospel: Decoding the Ancient Text that Reveals Jesus' Marriage to Mary Magdalene By Simcha Jacobovici, Barrie Wilson

The mystery of a newly translated “gospel”—filled with startling revelations and fascinating detail about the life and times of Jesus—is now revealed in this ground-breaking follow-up to the *New York Times* bestseller *The Jesus Family Tomb*.

Waiting to be rediscovered in the British Library is an ancient manuscript from early Christianity, copied by an anonymous monk. This document is at least 1,450 years old, possibly dating to the first century, but it has never been properly translated or decoded. Until now.

Working with an expert team of translators and digital imaging experts, acclaimed authors Simcha Jacobovici and Barrie Wilson provide the first-ever translation, from Syriac into English, of this unique document, which tells the inside story of Jesus' social, family and political life.

The Lost Gospel takes readers on an unparalleled historical adventure through this paradigm-shifting text. What the authors eventually discover is as astounding as it is unexpected: the confirmation of Jesus' marriage to Mary the Magdalene; the names of their two children; a previously unknown plot on Jesus' life more than a decade prior to the crucifixion; an attempt to abduct Mary and kill the children; the politics behind the crucifixion; and a religious movement that antedates that of Paul's—the Church of Mary the Magdalene.

Part detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia. Jacobovici and Wilson's surprising discovery and vigorous scholarly research position this ancient text alongside the Dead Sea Scrolls and Gnostic writings as a pillar of our evolving understanding of the historical Jesus.

Editorial Review

Review

“As featured on *Good Morning America*, *ABC News*, *Fox News*, *CBS This Morning*, *BBC World*, *Inside Edition*, and more.”

“I very much enjoyed reading the book and find the major thesis of Jesus' marriage to Mary the Magdalene very convincing. I also liked the style – very modern and conversational I thought it well-structured and convincing I have always felt that the emphasis on celibacy and the identification of sex with sin and corruption is extremely annoying. It is very much part of the denigration of women and their place in the natural order of things.” (Madelyn B. Dick, Ph.D., Professor Emerita and Senior Scholar, History, York University, Toronto)

“Simcha Jacobovici and Barrie Wilson have produced a rather impressive collaborative work [that] advances the hypothesis that the text belongs to a form of Gnostic Christianity in which a married Jesus with children was a core tradition that might well trace back to the historical Jesus. The public will find it fascinating, clerics will denounce it, and some academics will likely dismiss it as sensational?but it is well worth a careful read.” (James D. Tabor, Professor of Ancient Judaism and Early Christianity, University of North Carolina at Charlotte)

“*The Lost Gospel* [is] a tour-de-force, carefully documented. An important contribution to the on-going dialogue about Christian origins.” (Margaret Starbird, author of 'The Woman with the Alabaster Jar')

“This discovery is potentially the last nail in the coffin of biblical literalism.” (John Dominic Crossan, author of 'God & Empire' [Praise for 'The Jesus Family Tomb'])

“Absolutely fascinating. Many would argue the biggest story or one of the biggest stories of our lifetime.” (NBC's TODAY [Praise for 'The Jesus Family Tomb'])

“A slick and suspenseful narrative. Jacobovici is a maverick, a self-made Indiana Jones.” (Newsweek [Praise for 'The Jesus Family Tomb'])

About the Author

Simcha Jacobovici is an Emmy-winning documentary director and producer and a widely published writer and lecturer. His articles have appeared around the globe in publications such as the *New York Times* and the *Los Angeles Times*.
