What Every Christian Needs to Know About the Qur'an By James R. White

A Look Inside the Sacred Book of One of the World's Fastest-Growing Religions

What used to be an exotic religion of people halfway around the world is now the belief system of people living across the street. Through fair, contextual use of the Qur'an as the primary source text, apologist James R. White presents Islamic beliefs about Christ, salvation, the Trinity, the afterlife, and other important topics. White shows how the sacred text of Islam differs from the teachings of the Bible in order to help Christians engage in open, honest discussions with Muslims.

Learn What Islam Really Teaches, Straight From Its Sacred Text

Relying on the media and politicians to tell us what Muslims believe isn't going to cut it. Christians need to be better informed, whether the goal is to understand global politics or to talk to a Muslim neighbor across the street.

Through fair and accurate use of the Qur'an and other documents, scholar and accomplished debater Dr. James White examines what Muslim sacred texts teach about Christ, salvation, the Trinity, the afterlife, and other crucial topics. This book provides the answers you've been looking for to engage in open, honest discussions about Islam with Muslims and others.

"An excellent introduction for Christians who want to be more informed about Islam than what they can learn from news reports and the Internet. Dealing not only with historical facts but also deep theological and prophetic questions, the book is valuable for all Christians who want to communicate intelligently with their Muslim friends and neighbors." --*The Baptist Standard*
